Wesleyan . . . a home port as comfortable as any, but we can not remain in these serene waters of home. We are destined, yes driven to set sail for tomorrow in pursuit of personal happiness and fulfillment. At college, we are temporarily in port preparing and equipping ourselves for this life-long voyage.

In planning we must decide for ourselves what happiness and fulfillment mean, what route must be taken to attain them, if we are willing to go the route necessary, and can we cope with the possibility of failure.

We must take responsibility for our training and become involved with people and in activities. Experience gained at Wesleyan will serve as an anchor in the big storms we will encounter on our voyage. We must make jaunts daily, carefully rehearsing each step until it becomes natural — catch the wind, map the course, man the helm, trim the sails, keep her steady, and venture out a little farther each day becoming gradually less dependent on our home port.

## Catch The Wind

To catch the wind, we must learn to motivate ourselves and pick up the speed of our present environment. As we get involved and accept responsibilities at Wesleyan, so will we adjust to the tempo of career life. We must adapt to the college environment and its busy pace. By working hard and playing hard together, we learn things about life that are written in no textbook. If we do not pick up the new speed and allow ourselves to lag behind, we postpone our own arrival at the desired destination.

Clockwise from the left: 1. The Glee Club rehearses preparing for upcoming concerts and tour. 2. The battle of the knights, Judy Forward and Susan Partridge go for the ball on the soccer field. 3. Has Tanya Holland started a new fashion craze? No, the PK is in costume for the theatre department's children's play. 4. Freshman RA's, Barbara Stout and Cyndi Bell, not wanting to take sides during Rat, dress in the class colors of all four classes. 5. Evette McClinton looks on as a freshman "voluntarily" cleans her room.

*Clockwise from above: 1. Wesleyannes sing the Doxology as their traditional blessing. 2. Tri K's Anna Lewis, Stephanie Van Pelt, and Ttari Roshaven get fired up at a pep rally around the fountain. 3. Modern dance class practices the discipline of their art. 4. The new PK's put together the class' puzzle symbolizing how a group of girls would fit together to form a unified class.*

# Map The Course

*As we set sail for another year, we must look into the distance and chart our course. We make plans carefully, selecting our destination according to which direction the wind will be blowing each of us. All of us will not start out the same way, and thus we will sail in different directions. However, each time we plot a segment of our course, we come closer to reaching the goals we have set for ourselves. We set these goals realizing that there will be unforeseen storms, but our determination, newly gained independence, and a little skill at the helm will guide us through the rough waters.*

## Man The Helm

*Just as our skill guides us through the waters for smoother sailing, so must our skill at managing our lives guide us through the times at Wesleyan and beyond the horizon. We must discipline ourselves so that our lives will go the direction we want them to go and our time will be used to our best advantage. We sail through such things as term papers, essays, studies, and finals, and thereby become better sailors, move more swiftly, and go farther.*

*Clockwise from the left: 1. Hitomi Kato busily types a term paper. 2. Sheryll Thomas tests out the water looking into job opportunities on Career Day. 3. Ginger Caldwell and Val Marshbourne meet in the air as each tries to tip the ball to her teammates. 4. Some mornings it seems almost impossible to get to class on time.*

## Trim The Sail

During our seafaring adventure, our paths will cross sudden squalls. Learning how to manipulate the sail will help us to overcome these mishaps and further succeed in reaching our goals. As we gain more knowledge and experience in sailing, we soon learn when is the best time to trim the sail, and how to avoid making the same mistake twice. We become better equipped for the next storm and can glide over the rough waters a little easier.

Clockwise from the left: 1. Julie Hulsey ventures out in stormy weather. 2. Susan Cole finds a peaceful place to study or get away, down by the lake. 3. Melody Paul gets ready to face another busy day in the Fine Arts Building and the practice rooms. 4. The Naiads provide an enjoyable evening of entertainment.

## Steady As She Goes

*Once we have mastered the steps of sailing, we must learn to keep our lives balanced and thus the ship steady. Daily we must meet deadlines and demands made of us. Studies, activities, and friends must be given the priority due them, but we should keep in mind what would benefit us the most toward reaching our goals. We must keep these goals ever in sight and strive to stay on course.*

When students returned to campus this fall, they discovered that they were overrun with workmen who were employed to beautify the Wesleyan campus as is evidenced by the subject of this photograph.*

## Full Speed Ahead!

We are true sailors with our destination just beyond the horizon. We are prepared for any storms we might encounter on the way and will let no one or no thing sway us in our pursuit of happiness and fulfillment. We are prepared to face the open sea. Cast off! Full speed ahead!

Clockwise from facing page: 1. The smallest dorm room on campus is found on first floor Persons, room 110.5, and is shared by Sally Short and Lynn Little. 2. Libbie Powell, Kat Hopkins, and Ttari Roshaven enjoy the magic show in the Rec room. 3. These PK's can smile even after a vigorous workout. 4. Students spend more time in the newly remodeled Rec room.

# Sailing Into September

September was the start of a new voyage for Wesleyan. The year began with a full sail and would in time bring new experiences, new adventures that reflect a young woman's dreams. The trip included a variety of events recorded in the *Ship's Log* that will remain dear to those whose lives they touched. The new voyage began with some eager new crew members and a new set of ranking officers, as best described in the following pages of this *Ship's Log*, month September.

Clockwise from top right: 1. Billie Powell keeps her PK spirit even in a Rat Robe. 2. Judith Lane models academic attire of a senior at Fall Convocation. 3. Tri-Ks Andrea Day, Robin Hubbard, and Darlene Lynch welcome (?) the new PKs during Rat Week. 4. SAGA Director Beth French joins in the fun at the Tri-Ks' Haunted House. 5. Dressed in white, sophomores bring traditional offerings of love and peace to freshmen waiting at the fountain. 6. Fall Convocation speaker Betty Siegel gesticulates to her audience to start the year's voyage.

# Discovery In September

With full steam ahead, the voyagers, hoping to discover new worlds, prepared for the long journey ahead. As the freshmen crew moved on deck with gear in hand to discover a Wesleyan they had never known, experienced crewmen returned to the ship loaded down with supplies. The old salts showed the new members the ropes to get them safely on their way. The Wesleyan dreamboat, after a long, well-deserved shore leave, glided smoothly along the rough waters.

Parties between crewmen, a picnic with the ministers, and several freshman seminars were just some of the events on board that cheered the restless crew. Soon, however, new fears plagued the younger crew as they

discovered a part of themselves, an independence they had never known.

Then, as inexperienced members became better acquainted with their mates, many discoveries in cabin lifestyles and academic life were encountered. These discoveries included SAGA, Dairy Queen, the "birthday" fountain, cold morning showers, roaches, dirty laundry, Miss Munck, post-midnight fire drills, Mercer boys, Zed's sandwiches, and many other adventures that were part of Wesleyan's waters. Such discoveries on the voyage made the open seas both fascinating and fulfilling for freshmen and upperclassmen alike.

Clockwise from top left: 1. Merri Hart motivates her classmates. 2. Look-alikes Thelma Wilson and Lisa McClammy attend a Big Sister-Little Sister Party. 3. Freshman Tanya Holland hangs curtains in her first dorm room. 4. Ginger Caldwell suffers kidnapping and terrorism for a Mortar Board-sponsored fundraiser. 5. SGA Senate entertains freshmen at a Welcome Party. 6. PK '86 Elizabeth Hasty tries to bring a little of home to college with her.

# Great Unexpectedions In September

During the month the Ship's Log reported stormy and treacherous weather, which was unanticipated by the freshmen. The old salts foresaw the storm ahead but could not protect the young hands from what was to come.

One dismal night, the howling wind brought dark clouds rolling in; the ship was tossed like a bottle in the high seas. Then, from nowhere, swarthy and threatening pirates appeared, pounding on cabin doors and pulling the unsuspecting dreamers from their bunks. The pirates taunted the freshmen for several days and nights and treated them like lowly rats. Knowing this was a sink or swim situation, the freshmen revolted against the intruders. Upon seeing the strength of the unified "rats," the pirates decided it was time to retreat.

Shortly after the pirates' departure, ladies in white came aboard, each bearing plants and knots of rope for the freshmen. The young landlubbers had proven themselves true sailors and the ship departed for its next adventure.

Clockwise from top left: 1. Billie Powell appears ready for Rat Day a few days early. 2. Big Sister Jo Duke joins the fountain fun after the Life March. 3. Stephanie Van Pelt and Judy Forward congratulate each other on jobs well done. 4. Karen Toner and Lisa Ahl, as class president and Lowliest Rat respectively, lead the Tri-Ks through their toughest year in Rat. 5. Lowlies Billie Powell, Tanya Holland, Jenny Carswell, Beth Marecki, Ann Marie Parker, and Rebecca Voyles receive their nooses at Rat Court. 6. In the Haunted House Carol Crosby could scare any unsuspecting visitor. 7. Ratters Jennifer Mercer and Julie Hulsey raid Persons Dorm. 8. Tri-K class officers lead the sophomores in the tearful Life March.

# Settling Into September

*As the voyager journeyed along its course, crewmen settled into place and the official opening of the 1982-83 school year was marked by the annual Fall Convocation. The seniors donned their caps and gowns, then proceeded down the aisle with the realization that their final year at Wesleyan was finally upon them. The underclassmen, meanwhile, looked forward to a serious start to the semester's studies.*

*The guest speaker for Fall Convocation was Dr. Betty Siegel, President of Kennesaw College. Dr. Siegel encouraged the women to grow and to not be restrained by traditional female roles. She seemed to be telling the crew to set forward on their voyage with full sails toward whatever horizon they were seeking.*

*Next, Wesleyan presented an honorary Doctorate of Fine Arts to one of her own graduates, Eugenia Rawls. Miss Rawls is recognized the world over as an outstanding actress. That evening, Wesleyannes had the privilege of seeing Miss Rawls perform her one-woman show, "Affectionately Yours, Fanny Kemble," which she wrote, directed, and starred in. Thus the Wesleyan voyager was off to a wonderful beginning with blue skies ahead.*

*Clockwise from top left: 1. Dr. Strickland wears his academic robe in preparation for Fall Convocation. 2. Speaker Betty Siegel excites her audience. 3. The Class of 1983, forty-six strong, pose for the traditional Fall Convocation picture. 4. Junior Marshall Carol Hamrick leads seniors Trish Ellis and Peggy Watt toward the auditorium. 5. Eugenia Rawls receives her honorary degree from Dean McMinn and Dr. Hicks. 6. Dr. Quiambao and Dr. Wilson await the procession in the Hinton Lounge.*

# Enjoying September

September was truly the month to enjoy many of Wesleyan's activities. With the warm southern winds blowing gently, the crew knew it was the perfect time to take advantage of the weather and direct a new course. The crew, with a fever for land activity, steered themselves full-steam ahead to a small island of frolick where cultural events, sports, and social opportunities abounded. For those interested in drama, the theatre department produced "Hanky Spanky Skiddledy Doo." This delightfully magical childrens play entertained both adults and children with its talking trees, funny caterpillar, wicked stepmother, and hilarious, blinking ladybug.

Clockwise from top left: 1. Peggy Watt portrays an over-dramatic caterpillar in the children's play. 2. Becca Toya shows the styles for fall in the CSA Fashion Show. 3. Holly Krueger helps block a spike from Columbus College. 4. Lisa Ahl is all concentration during a volleyball match. 5. Barbara Stout enjoys the unique experience of being a Freshman RA. 6. CSA mixers bring out all types of "provisions." 7. Tara Baker listens attentively to her coach's advice. 8. Julie Bowman goes through a spike drill. 9. Trish Ellis and Beth Marecki cool off in the fountain.

Meanwhile, those more athletically minded took advantage of the opportunity to glory in the mild weather. SRC sponsored tennis and archery tournaments, and volleyball also began during September. Although there were initial problems in securing a coach and injuries seemed to plague the small group, these problems were soon calmed and the players went on with their rigorous schedule. The inexperience of the many freshmen who joined the volleyball team was balanced by the more seasoned seniors.

As a break from the outdoors activities the Office of Student Services and CSA Held two mixers. The "Welcome Back" mixer was sponsored by Anheiser Busch Distributors, NBC Lounge, and Pizza Hut. This mixer gave everyone an opportunity to see the remodelling of the Rec Room. The second mixer featured "Spunk" and was co-sponsored by Budweiser Distributors and Pizza Hut. The CSA Fall Fashion Show presented designs varying from traditional styles to the avante garde, while also awarding many door prizes from local merchants. After much mirth the "motley" crew returned to the ship, packing with them their magical memories of September.

# Sailing Into October

As fall winds blew through Wesleyan, another month was launched. October's Log was filled with exciting activities. The chill in the air signalled the return of the traditional sport of soccer. Each team worked fiercely for the chance of glory in the Championship game at the end of the month. The excitement of Stunt began early this year as the classes gathered to elect their committees. As the committees began their clandestine mission, the rest of the crew joined in the fun of intrigue and competition with KAOS and Campus Capers. Although there were several casualties, everyone seemed to enjoy this new activity.

Clockwise from top right: 1. Peggy Jones rests between quarters during a soccer game. 2. Campus Capers participants include Billie Powell, Lynne Waters, Ttari Roshaven, Sheila Barnes, Libbie Powell, Beth Proudfoot, Kat Hopkins, Bern Wallace, and Amy Nichols. 3. Pks attempt to protect their goal. 4. Several teachers struggle (in vain) to best the students at Tug-of-war during Campus Capers. 5. Mrs. Kay Gray samples the muddy waters of Wesleyan.

Clockwise from top right: 1. Green Knight and Tri-K Splinters eat their way through a late-night celebration at Krystal. 2. Senior Witch threatens dorm residents near Halloween. 3. Ginger Caldwell and Susan Stewart join their fathers at the dance on Father-Daughter Weekend. 4. Deanna Pollack and her dad spend a quiet moment behind Jones dorm. 5. Fathers and Wesleyannes enjoy a picnic by the lake. 6. Sheryll Thomas and Tommi Pcionek load up for their trip to the mountains on Senior Skip Day 7. Seniors Jenny Morgan and Marian Daniel are covered with flour from Campus Capers. 8. Carol Durham and father enjoy dancing to the band during Father-Daughter Weekend.

Despite injuries suffered in KAOS and the more normal sports, the "tired old seniors" recovered quickly as Senior Skip Day dawned early in October. As the "wake-up" calls faded into the distance, the Golden Hearts sailed up I-75 toward Oktoberfest and the scenic Mountains of Helen, Georgia. With cargos of cameras, film, food, and "provisions," these hardy sailors spent a relaxing day and night in a cabin nestled into the side of a mountain. Soon, however, the old salts realized that the stirring waters of Wesleyan were calling the back.

# Escaping In October

In mid-October Father-Daughter Weekend found many of the proud crew members on the arms of their special escorts. Picnics, ball games, and an evening dance were the usual activities of the traditional weekend that was a favorite of many.

Near the end of the month, SRC bestowed some honors that were unique to Wesleyan. Seven sophomores were surprised and delighted as the Green Knight Splinters passed on their coveted neck ornaments. The Tri-K Splinters so honored were Lisa Ahl, Karen Toner, Libbie Powell, Stephanie Van Pelt, Laura Reynolds, Anna Lewis, and Darlene Lynch. Then, in the midst of the hectic end of October, a sinister presence was felt on the campus waters. Garbed in masks and black robes, the Witches of Wesleyan rose from the lake at midnight to raid the dorm halls and simultaneously trick and treat their fellow crew members in celebration of Halloween. Golden Hearts so honored included Cyndi Bell, Wadra Garner, Peggy Jones, Barbara Stout, Sue Shows, Kathy Thompson, Judith Lane, Ginger Caldwell, Ann Rasché, and Marita Carey.

*Clockwise from right: 1. Seniors Judith Lane, Muffy Gordy, Barbara Stout, Wadra Garner, Ginger Caldwell, and Cyndi Bell are dressed for success, or is it the school-wide pep rally? 2. "King" Billie Powell and maiden Lainie Gulliksen are ready to enter the PK castle at Color Rush. 3. Tri-Ks MA Brotschul and Kat Hopkins await the horn that signals the beginning of Color Rush. 4. Val Marshbourne shows the Green Knights' concentration on the horsehoe. 5. The "Sophs of Iwo Jima" steal the show as Tri-Ks and PKs tie in Color Rush. 6. Seniors Sue Shows and Ellen Futral keep cheering against impossible odds. 7. Beth Proudfoot, Jenny Morgan, Kim Barksdale, and Marian Daniel "punk out" for the Homecoming pep rally.*

# Rainbows Over October

Like the hues of the autumn leaves, the loggia steps were filled with technicolors as the seniors sailed in to begin the traditional school-wide pep rally. The New Wave and Punk hairdos and costumes were an instant hit with the rest of the crew as the old salts perched on the loggia steps to sing their Homecoming songs. With the singing of each classes songs sentimental tears were shed, but the school-wide rendition of the alma mater around the fountain proved the greatest heart tug. Then sips of steaming hot chocolate and nibbles on delicious doughnuts rounded out the night's activities and the voyager headed with full-sail toward the colorful conclusion of October.

By the month's end, familiar faces from voyages past returned to their home port of Wesleyan. The Ship's Log recorded the presence of Homecoming by the various colored flags that hung from the yardarm and waved in the wind. Then a striking dash of color appeared on the horizon as the traditional Color Rush sailed onto the soccer field.

Clockwise from right: 1. Freshman Merri Hart takes her soccer seriously despite this costume. 2. Golden Hearts and Tri-Ks set up for a corner kick. 3. Page Clements cheers for a GK goal. 4. Before their last soccer game, seniors warm-up with a beach party. 5. Suzanne Partridge dribbles down the field. 6. Sophomores and seniors battle for the ball in the Championship game. 7. Golden Hearts on the sideline include Ginger Caldwell, Marita Carey, Barbara Stout, Wadra Garner, Toddy Thompson, and Cyndi Bell who spent the season keeping score due to a knee injury from volleyball. 8. GK co-captain Loretta Pinkston heads toward the PK goal. 9. Alumnae, parents, boy-friends, and students fill the stands to watch the final soccer games of the 1982 season.

Before October began to head for open seas, the crew enjoyed the Homecoming festivities of soccer games, court presentations, cabin parties, and a formal dance. On a bright Saturday morning the PKs and GKs battled away in good humor for the consolation game. Meanwhile the sophomores and seniors awaited their turns on the sidelines. Finally the Championship game got under way, with the teams each fighting for the glory and gold of the Soccer Cup for the first time. The watching crowd seemed electrified by each crew member's amazing athletic abilities, but in the end the younger mates proved victorious. As the games came to an end, the crew and their guests headed toward front campus for the banquet and further Homecoming festivities.

## Battles Of October

*Closing out October at forty knots, the magical winds of fantasy and romance brought the queen and her court to the Oval Hall. As Dr. Hicks crowned Barbara Stout Homecoming Queen, the air fairly crackled with excitement. On-lookers cheered, then hurried to change back into soccer cleats as the seniors, with a lot of help from the younger crew, challenged the returning PKs to an "Old Timers" game.*

*Although successful in past soccer seasons, the class of 1982 found the Golden Hearts much improved and the months of inactivity too debilitating. Nevertheless, all the crew had a great time with old friends, and the excitement of the day continued to build with anticipation of the night's festivities.*

*Clockwise from above: 1. Senior court representatives include Judith Lane, Ellen Futral, Queen Barbara Stout, Beth Proudfoot, Marian Daniel, and Ginger Caldwell. 2. Alisa Crockett is the DSO Homecoming representative. 3. Juniors Adair Byrd and Cathy Kelso pose with their escorts in the Oval Hall. 4. Dr. Hicks crowns and congratulates the Queen. 5. Linda Chick is a sophomore representative on the court. 6. In her last semester at Wesleyan, Anna Newman serves as a sophomore representative. 7. Freshmen Julie Mellard and Susan Stewart pose with their escorts. 8. The 1982 Homecoming Queen is Miss Barbara Stout, escorted by Russell Hatfield.*

*Coming Home For*

*October*

*Clockwise from right: 1. Cyndi Bell and Motomi Kawamura wait at the horseshoe for Color Rush to begin. 2. Beth Proudfoot gathers her gold and heads for the field. 3. Returning PK Rachel Greene and friend live it up at the Homecoming Dance. 4. A coven of terrible witches gathers in front of Porter Auditorium. 5. Old PKs provide half-time entertainment at the Homecoming soccer games. 6. Tri-Ks rush toward their quarter of the soccer field. 7. Spirit-wise, Tri-K Pirates go all out for any occasion.*

While invited guests partied hardy at the cabin, the Homecoming Dance cranked up in Anderson Dining Hall. The live band, colorful taffeta dresses, and free-flowing refreshments all combined to create a magical evening of celebration. As the formal Homecoming Dance faded off into the horizon, the voyager sailed away from October for another year. The final Log entries for October recorded the spirit and sparkle of Homecoming 1982 as enjoyed by one and all. These memories would remain with the faithful Wesleyan crew throughout the months ahead, as an inspiration for years to come.

# Sailing Into November

As the voyager sailed on past mid-semester, November appeared on the horizon. Strong winds, colder weather, and a flurry of activity characterized this busy month, which included the traditional Thanksgiving Banquet and a week's break from the college routine.

During the month SRC sponsored ping pong and backgammon tournaments. While the ping pong games necessarily took place in the Rec Room, backgammon players were seen indulging in their passion for the game wherever they had a chance. When the dust had cleared, freshman Dana Flanders proved victorious in ping pong and senior Cyndi Bell once again was the campus backgammon champion.

From November 1 through 16, the Alumnae Association of Wesleyan College held its annual Alumnae Phonathon in the Rec Room. Crew members and alumnae alike converged to attack the past voyagers of Wesleyan with pleas for donations. Crew members competed individually and as classes to raise the largest amount of money. Rookie sailor Robyn Herrold raised the most money and led her PK class to victory in the money-raising competition. A total of \$150 was awarded to the winning class for their invaluable aid.

Clockwise from left: 1. Cold rain and strong winds sweep through the campus during November. 2. Michelle Martin pleads Wesleyan's case for donations from alumnae. 3. Cyndi Bell and Wadra Garner challenge each other over the backgammon board. 4. Roza Fossett practices for Thanksgiving Break.

# Entertainment In November

Docking in the port November, the crew took time off from the ship's duties to attend a lecture in the Georgia Writers Series. The lecture by Michele Ross was sponsored by the English Department and held on Wednesday, November 10. The event was held in the Hinton Lounge at 3:30 pm and was well-attended by students and faculty alike. Ms. Ross, who is the Book Editor of the Atlanta Constitution, discussed her position on the newspaper, the section she edits each week, and books. In their first activity ashore the crew learned material that could prove helpful in navigating the course of the future.

The theatrical crew of Wesleyan, led by Captain George McKinney put in long hours of practice on deck to present "The Young and Fair" by N. Richard Nash on November 11, 12, and 13 at 8:00 pm. This presentation marked the department's annual Theatre-in-the-Round performance.

Clockwise from left: 1. Wesleyan students prepare for family style meal such as the Thanksgiving Banquet. 2. Michele Ross discusses her role as a Georgia writer. 3. Dr. Langston and daughter discuss a theatre production. 4. Senior Irene Shovelski studies in advance for next month's exams. 5. Ronnet Jenson portrays a student who threatens Beth Tankersley in "The Young and the Fair". 6. In the November dramatic production, Jo Duke and Trish Ellis portray sisters who learn about love and integrity.

# Activities In November

Many Wesleyan sailors took a break from their studies and duties aboard ship to enjoy on-ship entertainment during November. On November 6 and 7, SRC sponsored the movie "Fun House" in Taylor Amphitheatre. After being scared witless, or grossed out depending on individual tastes, the crew turned back to more active forms of entertainment.

Other entertainment for the crew was the Bonfire Mixer sponsored by CSA. On Friday, November 12, the crew and their guests expected to make merry out at the cabin, but an unexpected "tropical rain storm" churned the waters and forced even this hardy crew to a drier berth, the Rec Room. From then on the bash became known as the Rain-Out Mixer.

On a more serious note, the entire college community became involved with the ten-year self-study procedure required for accreditation by the regional association. From deck hands to cabin girls to second Lieutenants, the entire crew rose early to meet in the Galley at 10:45 am on November 4. The crew was gathered together to complete self-study questionnaires which asked for opinions on the controversial and the ordinary in Wesleyan's waters.

Clockwise from below: 1. Clasped hands are traditional for singing the alma mater. 2. Near vacations even Karen Johnson, Linda Chick, and Meredith Crosby begin to act crazy in the dorm. 3. Ginger Caldwell looks as if she needs a break from studying. 4. The glee club begins early to get ready for next month's Christmas Concert. 5. Marita Carey looks forward to the end of another semester at Wesleyan. 6. Camille Bivins digests her lunch in the dining hall after completing self-study questionnaires. 7. Judy Forward and Lizard Hasty say good-bye for the Thanksgiving Holidays. 8. Students and guests await the showing of the SRC movie.

# Competitive Spirit November

Clockwise from top left: 1. Ann Marie Parker, Dana Grinstead, and Laurel Eddy "get tough" in the first Mortar Board Class College Bowl. 2. Adair Byrd, Mary Landrum, Linda Hughes, and Judy Ross go to bat for the Green Knight team. 3. Wesleyan's Washboard Band performs for prospective students. 4. Susan Price answers a difficult Mortar Board question. 5. As moderator Barbara Stout reads a bonus question, the Golden Heart team confers to answer correctly. 6. Prospective Wesleyan Scholars and their hosts enjoy ice cream sundaes in the Rec Room. 7. Ginger Caldwell, Judith Lane, and Nan Nixon warm up for stiff competition. 8. Freshmen scholars dominate the Mortar Board Class College Bowl on their way to victory.

On Thursday, Friday, and Saturday, November 11, 12, and 13, prospective voyagers from across the United States joined the regular crew for a taste of college life. During Wesleyan Scholar Weekend, the crew-candidates were entertained by the experienced sailors with whom they had been paired. On Thursday Wesleyan Scholar competition consisted of faculty interviews that had each prospective on her toes. On Friday those attending the gathering were served an impressive luncheon in the Manget Dining Room. Then one night the group gathered in the Rec Room and were treated to ice cream sundaes and lively entertainment by Wesleyan's Washboard Band.

Also on Thursday, November 11, intellectual waters were stirred as Mortar Board's Class College Bowl sailed into Taylor Amphitheatre. Each of the four classes selected five crew members whom they believed could navigate the difficult course. The teams competed against each other by answering often tricky trivia questions. Led by able captain Ann Marie Parker, the Purple Knight team emerged victorious from their first College Bowl. Before the night was over, plans were already being made for future College Bowl competitions.

*Celebrating in December consisted of the traditional Christmas Concert, Banquet, tree decorating and caroling. On December 5, officers and crew alike gathered in Porter*

*Auditorium to experience the Glee Club and Wesleyannes' musical tribute to the Christmas season. Meanwhile, sailors were battening down the hatches in the face of the storms of finals and Dead Week. Sailors tried everything from athletics to Zed's to relieve the tension of studying or simply to avoid studying altogether. Eventually, however, term papers reached into the sunset as weary sailors took well-earned shore leaves in their home ports.*

January brought in both a new year and a new semester for Wesleyannes, not to mention a tidal wave of opportunities — both academic and recreational, for willing participants to involve themselves. After a long Christmas furlough most of us were ready to return to duty. Luckily the month's agenda provided ample means to satisfy even the most active of us. While we caught up with mates' lives and settled ourselves in for our new academic duties the cry was "Full steam ahead" as we prepared to soar into a new month, a new semester, a new year.

One of the first of these opportunities was basketball. All four crews mobilized their forces in preparation for yet another athletic and spirit-building competition. After several weeks of long, arduous drills, the short, fast-paced battles began with each crews' hearts set on both the basketball and Spirit Cups that a victorious season might provide them.

In mid-January, a series of freak weather conditions brought a rare opportunity to Wesleyannes — a chance to play in the snow. After an unusually warm December, the snow came as both a surprise and a welcome two-day break from our academic duties.

One of the best opportunities that January offered was a vocational one-Career Day. Many of our mates, especially members of the senior crew, participated in intensive drills in resume writing, interviewing techniques, and techniques for successful dressing in preparation for interviewing sessions with representatives from firms and businesses throughout Georgia.

# Sliding Through January

*Career Day again brought an excellent opportunity in 1983 for our older mates who were preparing to end their long four-year journey at Wesleyan. These seniors, and other interested students, held interviews with representatives from various businesses, industries, and school systems throughout the South.*

*Mrs. Virginia Berlin, the event's coordinator and Director of Counseling at Wesleyan, worked hard in drilling our mates on their interviewing skills during several workshops on resume-writing, actual interviewing techniques, and tips on successful dressing. Many of our mates reaped large benefits from their interviewing — jobs! However, all who participated had the opportunity to polish needed interviewing skills and learn more about the advantages, disadvantages, and actualities of the profession in which they are interested.*

Snow came suddenly to middle Georgia and Wesleyan on January 20, 1983. Even though it had been predicted, none of us believed the forecast until a wet, sticky hailstorm transformed itself into a brief but delightful snowfall. These unusual weather conditions of course necessitated a change in our daily navigation. Duties for all were cancelled hurriedly as faculty flew home on streets quickly becoming impassable and Wesleyan students went outside to build snowwomen and to have snowfights. By late afternoon, the snow had turned into a freezing rain which enabled mates to lengthen their reprieve from duty. An electricity outage and closed roads dampened the spirits of some of the crew members, but almost all of us took advantage of an opportunity which so rarely is present at Wesleyan.

# Jaunting Through January

One of the most entertaining events for crew members at Wesleyan this year was held on January 28, 1983. On this date, the Council on Social Activities and Stroh's Distributing of Macon co-sponsored the first mixer of 1983. The mixer, an entertaining break from academic duties, had originally been planned as a "Welcome Back" mixer from Christmas break but had been postponed due to conflicting events. Featured top-forty band the Throbs and an unofficial "punk" theme, however, ensured the dance's success despite its late date.

From the first day of practice on January 10, basketball became the passion of the month for athletically-minded mates. Old and new players filled off-duty hours with practice, rules sessions, and finally, the long-awaited season of six games. The rookie sailors faced an unusual situation with only four willing and qualified players on their team, when SRC rules require five players to start a game. Special arrangements were made by SRC to allow one or two captains from each of the other teams to play for the PKs. By the end of the last regular game on February 9, the PKs and their all-star subs had an undefeated season, but the Golden Hearts and the Tri-Ks were tied for second place. This tie led to a play-off game on February 10. The subsequent Tri-K victory there set up a classic confrontation between the freshmen and sophomores on Saturday, February 12. The Championship Game was undeniably exciting, and the ultimate outcome gave the Tri-K Pirates their second Championship Cup of the school year. Thus, amid the excitement of this season of competition, the Wesleyan voyager sailed on into the new year.

# Sailing Into February

From the icy winds of January, the Wesleyan voyager sailed into the shortest calendar month of the year. At Wesleyan, however, February signalled the conclusion of the bustling basketball season and the beginning of the hectic Stunt season. Yet even at the same time, crew members were busy daily with campus activities ranging from a magic show and water ballet to an authentic southern drama and a rape defense assembly. While senior education majors prepared to meet the unique challenge of student teaching, other students honed their intellectual skills to meet the challenge of the faculty-student College Bowl, not to mention mid-semester exams.

Clockwise from left: 1. Mrs. Hicks and son Frederick discuss one of the entries in the Prints and Drawings Exhibition. 2. Bill Clary treats his audience to another musical selection. 3. 5. The cast of "A Sad Song For the Whippoorwill" have an inspired discussion about boiled okra. 6. Bill Clary accompanies himself on the guitar. 7. Freshman Lynn Stark ponders the artwork of Greely Myatt in the East Gallery. 8. Student All-Stars Nan Nixon, Susan Price, Anna Lewis, and Ginger Caldwell confer before answering Mrs. Wright's latest questions.

The voyager's journey through February began with music, magic, singing, comedy, and hypnotism, all supplied by guest performer Bill Clary. Following education workshops during the day, Clary entertained crew members in the Rec Room with several Wesleyan sailors volunteering as assistants. On February 2, education majors received further useful pointers from first year teachers in a Kappa Delta Epsilon panel discussion. Wesleyan sailors were also delighted by the Naiads presentation of "It's a Small World." Wesleyan's synchronized swimming team captivated its audience by performing majestic maneuvers and graceful routines. Crew members and guests who gathered at the pool on the evenings of February 4 and 5 were indeed entertained. For additional entertainment early in the month, crew members flocked to Taylor Amphitheatre to catch Jane Seymour and Christopher Reeves in the SRC-sponsored movie "Somewhere in Time." For the cultural side of the journey, February provided the Second International Exhibition of Prints and Drawings hosted by Wesleyan College and the

#### Museum of Arts and Sciences.

The event was coordinated through the efforts of the entire Art Department, the Museum staff, and the Special Topics art class, under the navigation of Miss Libby Bailey. Later, Greely Myatt from Fulton, Mississippi exhibited his unique form of sculpture in the East Gallery. Next, the Theatre Department presented "A Sad Song For the Whippoorwill" by southern writer Brad Bailey on February 10, 11, and 12. Finally, on February 15 crew members and officers alike gathered in the

Amphitheatre for the long awaited All-Star College Bowl sponsored by Mortar Board. In this event, faculty members and students met head-to-head in an often humorous intellectual challenge, with proceeds going toward Mortar Board's scholarship fund. When the laughter died away, the faculty emerged victorious with a final score of 465 to the students' 330. From these entertaining, cultural, and intellectual outings, the Wesleyan voyager headed out to sea again.

Like a lion the March winds blew us through a myriad of experiences. SAGA gave a bon voyage party for the crew of the 4077th as Wesleyan sailors gathered to view the final episode of M\*A\*S\*H.

All hands were on deck in anticipation for the exotic port of Stunt where each class worked hard to produce a weekend of exciting entertainment. While in port, the Tri-K Pirates added the Stunt and Spirit Cups to their booty of trophies.

Near month's end, Macon held its first Cherry Blossom Festival. Rebecca Voyles, a freshman crewmember, was chosen Miss Macon and Cherry Blossom Queen. The festival concluded with a musicale featuring Norman McLean, Nancy Rehberg, the Glee Club, and the Wesleyannes.

# Golden Heart Memories In March

Stunt — it means our time is about 7/8 through so we have the usual Stunt qualms: Can we pull it together at the very last minute again? Why do they *always* schedule mid-terms right in the middle of Stunt? And there's the frustration with feet that refuse to dance and eyes that won't stay open because of two allnighters in a row. Just as in the last three years, things actually do come together, the backdrop does get finished, and the props and costumes are gathered in time. But it's SENIOR year — we must often remind ourselves. One minute we're thinking "it's almost over, thank goodness," and the next "I can't believe it's our last Stunt!" Then, the "7/8 through" takes on a greater dimension of reality.

Stunt has always thrilled me — every dance number, every sweet little scene tugs at my heart no matter whose class is onstage. I'm not sure what gets me so caught up in it — the colors, the smiles and laughter, or just knowing how much fun saturates each minute of hard work that goes into these performances.

Our class as a whole has taken on a personality of its own during our four years, yet the individual Golden Hearts seem to have become more diverse in interests, in actions, and plans for the future. Yet with Stunt, we get together again and renew friendships with dance partners who "live" in other academic buildings. We are again a *class* — not just a group of students readying ourselves for the world, but a class. A class that is diverse, yet single-minded in our desire to show our parents and the community that we love Wesleyan and are lucky to be Golden Hearts. We do it by preparing for thirty minutes of acting silly on a stage to be followed by more silly songs as we brush up on songs of our first three Stunts.

It's fun, and it's rich, and it makes our transition into the world of college graduates a little less "academic", a lot more personal, and very worthwhile.

But a circus public is a fickle public, and her star soon faded. The circusmen's search for new talent brought them once again on a trip to the jungle on which they consented to return Nakita to her native land. Her greatest feat in her career as a trapeze artist was her last: a 3000 foot free-fall from the circus' chartered plane. Fortunately, she had a parachute. But a circus public is a fickle public. The public clamoured for her return and the Lon-Jim-Jeray Circus realized the necessity of Nakita for the show. Will the circus be saved? Will the bright lights of showbiz lure her away from the village of her childhood? Is love really better in the jungle? Will Nakita go ape in the jungle? Does A-1 really make any meat taste better?

What does Stunt mean to a sophomore? Many different things. It means putting a lot of hard work into one of the biggest challenges the class has as a whole. Along with the hard work, though, comes excitement with the realization that one is a part of this production, whether on stage or in the pit. While Stunt is fun, it is also the time when tension from hard work mounds; it is the time for a class to pull together and cooperate. Stunt is a gnawing curiosity as well, as one wonders what the other classes are doing. It is also a time to show spirit — class spirit and the spirit of competition. It is a test to prove that although work loads are heavier, the spirit that was so special freshman year has not been lost. (And it hasn't! Tri-K . . . All the way!) Most of all, Stunt means sharing sisterhood — not only with our Golden Heart Sisters, but with **all** of our Wesleyan Sisters. **That** is what Stunt means to this sophomore.

# A New Purple Knight Experience In March

Stunt, as with any other experience, can be seen in various ways by those involved. Each Wesleyanne perceives it differently. To me as a freshman, Stunt brings the excitement of a new experience. It also seems to generate an aura of confusion and a feeling of togetherness typical of Wesleyan traditions.

From the moment we set foot on campus, the upperclassmen began to build excitement in us about Stunt. Even though we were not sure what Stunt was, we assumed it must be wonderful because of all the talking they did about it. When we were told Stunt was not until March, but the Committee must begin work in October, we knew it

must be something special. Then confusion set in. The Stunt Committee must decide what topic and theme to use. Should it be about Princess Di? Valley Girls? Eggs? Once the writing was finished, the first few rehearsals were total disorganization. Even more confusing, is how the hard work, lack of sleep, and sacrifice can be as much fun as it is. Even though the confusion, we saw we had the support of the upperclassmen. For the greatest element of Stunt is that it knits us together not only as a class, but as a community. "We'll sing in your pit if you'll sing in ours. In fact, we'll sing in your pit even if you can't sing in ours" — that is the true meaning of Stunt.

# Sailing Into April

From the rigors of Stunt and the rest of Spring Break, the Wesleyan voyager sailed into the flurry of activities characterizing the month of April. This last full month of spring semester found the crew honoring its own in every way possible. From the intimate congratulations of bridal showers to the school-wide ovations of Honors Day, Wesleyan found a multitude of means of reasons to recognize accomplishments of individuals and groups.

Clockwise from top, right: 1. Wadra Garner listens to presentations during the SGA Awards Assembly. 2. Barbara Stout receives Departmental Honors from Ms. Pat Lewis. 3. GKs Becky Nelson, Mona Seagraves, Kim Brown, and Missy Daniel leave the Move-Up Banquet as seniors. 4. Lisa Ahl and fiance Chris enjoy the indoor Jimmy Buffet party. 5. Patricia Potts jumps in the Jump-Rope-For-Heart. 6. Beth Proudfoot, Ellen Futral, Ellen Hogle, and Sara King sing their Sister Song.

On April 6, the Tri-K Pirates honored their Big Sisters in the Manget Dining Room for the annual Sophomore-Senior Banquet. As the guests of the younger sailors, the seniors were treated to a delicious meals, speeches by class presidents Karen Toner and Cyndi Bell, entertaining individual awards, golden heart candles, and a very special rendition of the song "Heartlight." By the end of the evening, all crew members involved realized that the honors of April would often go hand in hand with tears.

Throughout the month crew members honored shipmates by attending bridal showers and senior recitals. Sue Shows performed her voice recital on April 21, while piano performance majors Rhonda Hinson and Jeannell Brown gave recitals on April 14 and 22 respectively. The Office of Student Services and the 1982-83 Resident Assistants honored the Green Knight RAs at a small get-together at Dean Hatfield's home on April 23. Old RAs "entertained" their successors with stories of E.R. Duty.

Kim Barksdale, Lisa Ahl, Beth Tankersley, and Kathy Thompson finish out the banquet on a happy note. 8. Ginger Caldwell thanks her Little Sister Karen Toner for a terrific banquet.

# Heartlights Of April

The end of the first week in April found all dramatically-inclined crew members working long hours in the Fine Arts Building to pull together six short plays for the annual Bill of One Acts. With casts from acting classes and other interested sailors, three nights of dramatic entertainment filled the auditorium. On Thursday, April 7, Carrie Willis directed Noel Coward's *Fumed Oak* and Susan Price directed Lanford Wilson's *Talley's Folly*. The next night directors Page Clements and Suzanne Sorrell Holmes presented Neil Simon's "Visitor From Forrest Hills" and Jean-Paul Sartre's "No Exit" respectively. The final night's bill included Trish Ellis' direction of *Third and Oak: The Laundromat* by Marsha Norman, and Peggy Watt's direction of *Riders to the Sea* by John Willington Synge. All directors were members of Mrs. Leverett's directing class.

Though chill winds and rain swept through campus, Wesleyan sailors gathered for the traditional rites of the season on Spring Weekend, April 8 and 9. Friday night found crew members in the Rec Room for a "Welcome Back to Margaritaville" Party. CSA's second Jimmy Buffet — themed occasion. Saturday afternoon rain forced the Court presentation indoors to the Burden Parlor. After all representatives had been presented, Dr. Larry Shields awarded the title of Maid of Honor to PK Senior representative Cyndi Bell. Then, to the delight of many, he crowned Marita Carey as Spring Queen. That night, Anderson Dining Hall became a grand ballroom with colorful ribbons and balloons as Maurice Williams and the Zodiacs provided dance music and CSA offered a delectable buffet. Before the evening ended, the Spring Court was presented again and all crew members and their guests enjoyed themselves fully.

Clockwise from top, far right: 1. Libbie Powell, Julie Bowman, and Bern Wallace get into the theme of "Welcome Back to Margaritaville." 2. PKs rest while a teammate jumps. 3. Miyako Horiguchi and escort Dr. Langston enjoy the reception after the Spring Court presentation. 4. PK Representatives: Katherine Gardner, Billie Powell, Cynthia Holloway, Brenda Galloway. 5. Tri-K Representatives: Amy Nichols, Becca Toya, Nikki Scholze, Sara King. 6. GK Representatives: Miyako Horiguchi, Sheree Greene, Mona Seagraves, Carol Hamrick. 7. Seniors on Spring Court: Ann Rasche, Maid of Honor Cyndi Bell, Spring Queen Marita Carey, Kim Barksdale, Peggy Jones, Kathy Thompson. 8. Mary Landrum takes a break from spinning records to party with a guest. 9. Wadra Garner relaxes before her turn to jump rope on April 9.

## Spring Rites In April

*In the middle of all the Spring Weekend festivities, SRC sponsored an opportunity for Wesleyan sailors to exercise their own robust health for the benefit of others less fortunate. The morning of April 9 found crew members in Porter Gym participating in the American Heart Association's second Jump-Rope-For-Heart at Wesleyan. Between turns at jumping, participants relaxed by playing basketball, eating donuts, playing backgammon, and reliving every jumping game they had learned as a child. For the money they raised, these health-minded seagoers earned T-shirts, and warm-up suits, not to mention the satisfaction of helping others in need.*

Clockwise from below: 1. Seniors become alumnae in the Candlelighting ceremony. 2. The passing of the flame symbolizes induction into the Alumnae Association. 3. Miss Ann Munck greets friends from her reunion class of 1938. 4. Students wait for Honors Day Convocation to begin. 5. Alumnae gather in Anderson Dining Hall for a banquet. 6. Connie Cumbus accepts an award from Dr. Govindan. 7. Wadra Garner watches as Dean Hatfield lights her candle. 8. The Glee Club performs on Alumnae Weekend. 9. Barbara Stout chats with Doug Howell after his concert.

CRC also provided entertainment in April with another well-received Doug Howell concert. A Wesleyan favorite for several years, Doug Howell entranced his audience with mood-creating candles on the piano, and with his touching and thought-provoking music. Using his music, stories, insights, and memories, the singer sent out his spiritual message to an audience that learned to care.

The annual Lamar Lectures were provided by Dr. Dewey Grantham, Professor of History at Vanderbilt University, whose theme for the series of three lectures was "The Southern Politician: Historical Variations on a Cultural Theme." The Series ran from April 12 to April 13 and was made possible by the Eugenia Dorothy Blount Lamar Fund.

The weekend of April 15 and 16 saw the return of many old salts from Wesleyan's past for Alumnae Weekend. Friday evening began the weekend's activities with the traditional Candlelighting Ceremony moved to the Oval Hall. This ceremony officially inducted the Class of 1983 into the Alumnae Association as its newest members. A Glee Club concert and wild reunion parties kept alumnae busy for the rest of the evening. Saturday's events included more reunions, banquets, and the annual meeting of the Alumnae Association, with Anne McGee Morganstern, Class of 1958, serving as featured speaker.

On April 19, the Wesleyan community again gathered in Porter Auditorium for the annual Honors Day Convocation. Faculty members in academic robes honored students with awards and recognition in departmental honors, honor societies, and various other achievements. Dr. Quiambao opened the program with an invocation, and Dean McMinn introduced presentations. Later in the day, several honor societies held initiation ceremonies, then those invited attended the prestigious Honors Banquet in the Manget Dining Room.

The next day, all organizations of the Student Government Association held a Recognition Banquet to honor their own newly-elected officers and members. Soon thereafter, each organization held its own official installation ceremony.

On April 19, education majors turned their attention to future plans also. With resumes in hand, these future teachers appeared in the Rec Room to interview with representatives from school systems around the state. Few jobs were secured on this occasion, but the invaluable experience and knowledge gained in the process would give graduates from Wesleyan an advantage in the jobs search to come.

## Recognitions In April

Clockwise from below: 1. Dean Hatfield gives Wadra Garner her Who's Who certificate. 2. Ginger Caldwell impersonates Dr. Taylor. 3. As Dr. Quiambao, Sue Shows teases her "class" with test hints. 4. Jones residents toast on their sundeck. 5. Judith Lane struggles to communicate with Trish Ellis when she impersonates Mr. McKinney. 6. Mary Carole Fisher, Sally Cash, and Val Marshbourne are now "only embers." 7. Grey-haired Sue Shows and Barbara Stout present class prophecies. 8. Green Knight seniors gives a "Hoddy Toddy" cheer. 9. Anna Lewis gets a hit. 10. Seniors listen to a classmate's presentation on Senior Skit Night.

On April 25, several crew members took time out of their busy April schedules to challenge their mentors in Wesleyan's first Faculty-Student Softball game to close out SRC's softball season. Although the faculty emerged victorious, the students participating enjoyed the game and the celebrations afterward. The very next day, however, crew members were back in Porter Auditorium to honor their peers at the SGA Awards Assembly. Awards from Senate, SRC, Who's Who, DSO, the Alumnae Association, and the publications were given. Eventually, the event climaxed with Andrea Day's presentation of silver gifts for the outstanding class members and Wesleyan Woman of the Year.

This last day of classes on April 26 was also highlighted by the traditional Move-Up Banquet in Anderson Dining Hall. The colored silk flowers had been moved as each class shifted to the next class section. Then the Green Knights filed in wearing white to claim the senior section. The event ended with the Class of 1984's first official rendition of "We Are Tired Old Seniors."

Later that night, the Golden Hearts reclaimed their title for Senior Skit Night. The main entertainment came from the seniors' parodies of their "favorite" faculty members, and from Barbara Stout and Sue Shows' punked-out Class Prophecies. Next the senior crew members honored individuals among the underclassmen with Golden Heart Awards and their Last Wills and Testaments. For many the evening ended tearfully with the realization that their days at Wesleyan were numbered, while others celebrated in the knowledge that they had done their best in all endeavors here, and would therefore leave a legacy of honor and achievement for future voyagers through Wesleyan's waters.

# Old And New Seniors In April

With Reading Day on April 27, crew members got down to the business of closing out another semester at Wesleyan. Studying occupied the time of most sailors, though many seniors turned practical with a Senior Class "You Can't Take It With You" Sale to unload some of four years' accumulation of junk. Other seniors finished up internships and student teaching while those with exams studied and were tested for the last time. As exams came and went, crew members enjoyed the sunny weather and looked forward either to graduation or to a summer's vacation.

# Sailing, Into May

Clockwise from above: 1. Lisa Ahl enjoys one of the last family-style meals of the school year. 2. The bicycle waits patiently to be packed for a long drive home for the summer. 3. Commencement speaker Eleanor Richardson waits with Dean Kayron McMinn in the platform section before the Processional. 4. Larry Shields pitches for the faculty team against the students. 5. Seniors in the front row wait nervously for their classmates to file into their own rows.

Weary voyagers rejoiced as the final leg of the journey sailed into sight with the month of May. All at once, Wesleyan sailors faced the stress of final exams, the happiness of summer vacation, the sadness of friends parting, and the pride of a well-earned bachelor's degree. May at Wesleyan lasted only a week for everyone except May Term students. Nevertheless, those present kept busy by packing, attending luncheons and teas, and finally, preparing for the big event on May 7.

On May 2, while studying for the last finals and marking time before graduation, many crew members gathered to take on officers from the faculty crew in an encore of the April Faculty-Student softball game. While in the first game the faculty players won a hard contest, the second time out not many faculty members showed. Yet, in the end, all participants enjoyed this athletic break in the voyage.

# Last Tangos In May

May began with crew members sweating over exams, simmering on the sundecks, and celebrating every free moment. When exams ended on Tuesday, May 3, most underclassmen had packed the gear and headed for home ports. Crew members remaining on campus made up a skelton crew of seniors, hooders, and junior marshalls. With at least three days of shore-leave before graduation, crew members entertained themselves with a myriad of

distractions. Wedding showers and bridal luncheons continued as several Wesleyannes looked forward to becoming summer brides. On May 4, President and Mrs. Hicks honored graduating seniors at a formal tea, presenting each graduate in attendance with a lovely red rose. The tea served as a means for the Hicks to congratulate the seniors because they would miss the actual Commencement exercises. The next day successful student teachers gathered with their supervising teachers and education professors in the Manget Dining Room for a final banquet. Friday afternoon found the whole skelton crew converging on the auditorium for a very jovial commencement rehearsal.

Yet all week long, nighttime exhisted

for celebrations. Senior crew members congratulated each other. Underclassmen spent bittersweet hours partying with friends they wished well, yet knew they would miss. As the final Friday night approached, families and friends flocked into town for the long-awaited ceremony that would culminate the year's voyage.

Clockwise from left: 1. As Dead Week progresses, all meals are moved to the Snack Bar. 2. Cathy Kelso and Marita Carey celebrate the end of Dead Week. 3. Mary Landrum studies for exams. 4. Archie Foskey joins friends like Thelma Wilson at Zed's. 5. Roza Fossett relaxes at the pool table. 6. Piper Allen will miss her Wesleyan friends over the summer. 7. Jay Gordon. 8. Karen Toner. 9. Bern Wallace. 10. Suzanne Partridge.

*Pomp And Circumstance In  
May*

At 9:15 on the morning of Saturday, May 7, nervous seniors and their white-clad hooders gathered in the Rec Room. While chasing around for brushes and bobby-pins, friends wished each other the best in their future lives. Finally, the Junior Marshalls led them through the waiting lines of robed faculty. Wesleyan's 143rd Commencement exercises were underway.

The Commencement address was delivered by Eleanor L. Richardson of the Georgia State House of Representatives. Then, at last, crew members of the Class of 1983 strode proudly across the stage to accept their long-awaited degrees from the president of the faculty, Miss Munck. As Dean McMinn announced each name, senior sailors and their families

realized the completion of a dream that began as long as twenty-two years ago.

Clockwise from left: 1. Lollie Alexander accepts her AB degree. 2. Hooders follow their seniors toward Porter Auditorium. 3. Muffy Gordy and her mother chat with Dr. and Mrs. Wilson after graduation. 4. Mrs. Kay Gray leads the faculty procession. 5. Proud seniors file through the lines of faculty. 6. Mrs. Eleanor Richardson speaks with eloquence and energy. 7. Faculty members march toward the horseshoe. 8. Miss Munck awards Kim Barksdale her diploma.

# Final Farewells In May

*With Commencement Wesleyan recorded her final entry in the 1982-83 Ship's Log. Although partings saw many a hug and tear, the forecast for old salts and underclass seamen alike was fair indeed. The Wesleyan voyager had ended this year's journey, but her crew prepared for future voyages, many to return to the waters of Wesleyan and others to set different courses in far seas, yet always sailing toward tomorrow.*

*Clockwise from left: 1. Halls in the dorms become lonely in May. 2. Eleanor Richardson advises seniors to "dare to walk proudly." 3. Myra Carter happily accepts her diploma from Miss Munck. 4. Wesleyan's grand magnolias bloom in May. 5. A senior's last view. 6. Sue shows share her excitement with family, friends, and faculty. 7. Best friends Lollie Alexander and Ann Rasche say good-bye.*

**What was your favorite year at Wesleyan? Why?**

*Sophomore year — RAT, Stunt, friends, spirit. Being in Stunt, basketball, everything made that year my ultimate ... Irene Shovelski*

*It is a tie between freshmen and senior years because the first year I was enthusiastic about everything and the last year it was a time for looking back, both were equally good years ... Beth Mercer*

*Senior year has been my favorite year of all; the fun we've had, like Senior Skip Day in Helen, cutting Christmas trees, and quoting "The Bard" at Stunt ... Cyndi Bell*

*Freshmen year — everything was so new and exciting ... Donna Ham*

**What event or memory will you remember forever from your Wesleyan experience?**

*Flunking Freshman Chemistry — then knowing I was still OK ... Judith Lane*

*I will remember the sisterhood here. I can still remember meeting my 'big' sister (5'4") and situations she and her roommate bailed me and my roommate out of. As a big sister, I remember meeting my little sisters for the first time ... Barbara Stout*

**Ports o' Call**

# SENATE

As the legislative body of our student government, Senate functions to coordinate campus activities and to promote increased communications on campus. All activities councils, publications, classes, and day student organizations receive their SGA budgets and authority through Senate. Membership in Senate consists of the Executive Council, the four board presidents, the four class presidents, elections chairperson, communication chairperson, editors of the three campus publications, and representatives from each class. The Executive Council consists of the SGA President, SGA Vice-president, SGA Treasurer, Legislative Secretary, Chancellor of Honor Court, and the Judicial Secretary-Treasurer.

During the fall semester, Senate brought us monthly required assemblies, freshmen Welcome Parties and Skits, student IDs, student directories, the Student Handbook, and the SGA Constitution and By-Laws. In addition, Senate purchased the silk carnation centerpieces for Anderson Dining Hall to revive the traditional class sections at family-style meals. Spring semester events sponsored by Senate included the ever-popular monthly assemblies, Senate Retreat, and the SGA Awards Assembly on April 26, 1983. One of Senate's major functions at the awards assembly was to present the annual SGA Service Awards to deserving people in the Wesleyan Community.

## C.S.A.

The Council On Social Activities seeks to enrich the social life of Wesleyannes by providing activities ranging from Mixers to fashion make-overs. Special weekends like Father-Daughter, Homecoming, Valentine's Day, and Spring Weekend give students a chance to invite special dates to campus for two or three days of fun and celebration. In addition, CSA presents Fall and Spring Fashion Shows sponsored by local merchants, as well as concerts and banquets.

This year Sally Griffin, as Director of Student Activities, has joined CSA in an advisory capacity. Through her efforts, CSA has helped to bring about Campus Capers, KAOS (Killing As An Organized Sport) and mixers sponsored by Stroh's, Budweiser, Anheiser-Busch, Pizza Hut, and NBC Lounge.

## C.R.C.

The Council on Religious Concerns is busy from the first day of each year until the highpoint of each year — Stunt. Among CRC's activities this year were Blood Drives, the Meet Your Ministers Picnic, Religious Emphasis Week, Campus Ministry, Community Interaction, and many concerts, including one of Wesleyan's favorites, Doug Howell. Stunt is easily CRC's biggest project each year. As each class puts together an original music comedy, members of CRC oversee it all. Most importantly, Stunt raises thousands of dollars to provide scholarships for rising seniors chosen by the senior members of CRC.

## S.R.C.

*The Student Recreation Council provides each Wesleyan student with a myriad of athletic and leisure experiences. In all SRC activities, however, emphasis is placed on sportsmanship and participation for fun. In addition to the recreational activities directly sponsored by SRC, the Council is a firm supporter of all inter-collegiate activities sponsored by the administration.*

*In the fall SRC activities were dominated by the intramural soccer season. While a large number of students were involved in soccer, many of the same students, as well, as others, participated in concurrent SRC activities. These other fall activities included ping pong, backgammon, archery, pool, and tennis tournaments. Also, October Marathon once again challenged Wesleyan students to set and meet personal goals of health and fitness. During Spring semester, SRC sponsored another backgammon tournament, as well as intramural basketball, softball, and field day. Throughout the year SRC brings popular movies to campus as free entertainment shown in the Taylor Amphitheatre. The Splinters, the Witches, and the Naiads are all auxiliary organizations sponsored by SRC to provide service, leadership, and entertainment throughout the school year.*

## C.J.A.

*The Council on Judicial Affairs promotes a better understanding of the adherence to the Honor Code among Wesleyan students.*

*The House Councils of all dormitories are represented on CJA by their Dorm Presidents. Working together, CJA and House Councils strive to encourage students and residents to live by Wesleyan's honor system in all areas of campus life. This year CJA sponsored a baby raffle concerning the birth of Mrs.*

*Myra Schrader's newborn child. The contest was won by sophomore Jay Gordon. During the annual Honor Week observance, CJA sponsored an assembly featuring local dignitary Judge Culpepper. CJA's most important achievement this year, however, was the adoption of a demerit system with set penalties for specific rules infractions.*

*Council on Judicial Affairs (below): Front — Ellen Hogle, Susan Price, Ellen Futral, Susan Hullender, Jay Gordon, Sheree Greene. Back — Dr. Marcile Taylor, Beth Marecki, Rhonda Davis, Beth Proudfoot, Muffy Gordy, Tanya Holland, Connie Evans, Holly Heath, Laural Eddy.*

## HONOR COURT

*Honor Court heads the judicial branch of the Student Government Association. Under the leadership of the Chancellor of Honor Court and the Judicial Secretary-Treasurer, Honor Court deals with infractions of Wesleyan's honor system. This year Honor Court found its job easier to carry out with more consistent justice due to the demerit system of set penalties as adopted by Honor Court and CJA.*

## HOUSE COUNCILS

The House Councils for each dorm uphold a high responsibility. Each House Council serves the purpose of making sure that all rules and regulations of the dorm are respected, obeyed, and upheld. The members of each council help to make dorm life a little easier for all residents.

These House Council members are not to be viewed as judges, but rather friends who are responsible and available to help people. In addition, they plan dorm parties and other events for their dorm.

## RAS & FIRE MARSHALL

Clockwise from top left: 1. Ellen Futral (Hightower). 2. Sue Shows (Hightower). 3. Myra Carter (Jones). 4. Barbara Stout (Persons), Wadra Garner (Wortham), Peggy Jones (Wortham), Cyndi Bell (Persons). 5. Ginger Caldwell (Fire Marshall). 6. Kim Miller (Jones).

The Fire Marshall is one of Wesleyan's thoroughly "unsung" heros. Following a schedule made up months in advance, she coordinates the jobs of RAs, Dorm Presidents, and House Councils in meeting the legal requirements for fire drills. Elected by SGA Senate and working under the direction of the Dean of Student Services, she also cooperates with the Macon Fire Department in keeping Wesleyan in line with fire safety regulations. While residents constantly complain and often malign her, the fire marshal really deserves a vote of thanks and not a little sympathy. Most residents endure a total of eight fire drills each year, but the fire Marshall attends thirty-two! It takes a rare breed to suffer such abuse cheerfully and for doing so, the 1982-83 Fire Marshall Ginger Caldwell proved herself to be a persevering and competent leader.

Resident Assistants are carefully selected seniors trained to assist students in the residence halls, to serve as advisor and counselor to individual students, to assist in the management of the dorm, and to assume other specific responsibilities pertaining to the particular needs of dorm life. Officially, an RA is a staff member of the Office of Student Services and is under the supervision of the Dean of Student Services. Unofficially, the RA is a mother, a father, a policeman, a friend, and a good listener. A normal week might include putting up ten signs, unlocking twenty doors, and at least one midnight trip to the Emergency Room. She must deal with pressure from many sides and still be "a good girl." She knows frustration because no matter how much she does, it never seems to be enough. An RA is a keeper of keys, kleenex, secrets, aspirin, and band-aids, and she must always pretend that she never locks herself out of her room.

Peer Counselors are students elected each spring for the upcoming year. They are interviewed and chosen for their skills of listening to others, as well as for additional important qualities. Peer Counselors are carefully trained to help new freshmen adjust to college life with guidance, support, and friendship. Throughout the summer Peer Counselors receive information about the incoming freshmen. When the freshmen arrive on campus in August, they are met by their respective Peer Counselors whose job it is to help the freshmen learn about Wesleyan and her policies and people. Most importantly, Peer Counselors help to make the big adjustment of being away from home and in college just a little easier.

## B.S.A.

*The Black Student Alliance serves to provide the fostering of the ideals of Black awareness, scholarship, sisterhood, and community service. This year, limited membership kept the group from carrying out extensive campus activities. However, fund-raisers aimed at Wesleyan's collective sweet tooth included two school-wide candy sales and a delicious bake sale. These fund drives enabled BSA to strive toward achieving their organizational purpose.*

*Newman Apostolate (right): Marianne Brotschul (President), Irene Shovelski, Tanya Holland.*

## NEWMAN APOSTOLATE

*Newman Apostolate is an organization developed for the purpose of enhancing the spiritual life of Catholics and other interested students who wish to learn about the Catholic religion. The organization is making plans to sponsor speakers, retreats, and other activities that will be of interest to all students in the upcoming year.*

Wesley Fellowship is an organization which offers membership to each Methodist student on campus. Through fund raisers and service projects, the group seeks to provide religious unification among Wesleyan's Methodist students. This year Wesley Fellowship raised money for its service projects in a bake sale and a Valentine's Day carnation sale. Those service projects included a Christmas party, Christmas carolling, Ash Wednesday services, and Maundy Thursday services on campus. In all these ways, Wesley Fellowship tries to involve Wesleyan's Methodist heritage in all aspects of the lives of her Methodist students, as well as any other interested students.

## ART CLUB

The Art Club attempts to establish more involvement, and a deeper awareness and appreciation of art in the Wesleyan community. The club was formed by students who are dedicated and interested in the enhancement of their knowledge concerning art. Some of the events sponsored by the Art Club included a newsletter known as *Trash* that informs alumnae and others who are interested as to the purpose and progress of the club. This year there was also an Art Department Barbeque to provide fun and an opportunity to get to know new students in the department. In addition, the group held a successful art sale to fund the newsletter *Trash*.

*The Business Club seeks to interest students in the growing field of the study of business. Membership is open to any interested student who is majoring in Business Administration or any other relative major in business. To promote a greater awareness in this field the club sponsors speakers, films, and fieldtrips which center around the business industry.*

## BUSINESS CLUB

*Business Club (above): Front — Sheryll Thomas, Carol Hamrick, Carswell Hannon, Marian Daniel (President). Back — Thelma Wilson, Tanya Holland, Patsy Uphold.*

The Student Georgia Association of Educators functions as the student branch of the Georgia Association of Educators. This state organization, in turn, falls under the National Education Association, a nation-wide lobbying organization for teachers. Wesleyan seniors are required to join SGAE for liability insurance during student teaching, but for any education major, it serves as well in other vital functions. Any student interested in exploring the theories and methods employed in the field of education is welcome for membership.

This year, in cooperation with KDE and the Education Department, SGAE helped to clean out, reorganize, and restock the Education Department's Materials Center. In addition, several of the officers attended a state convention to keep Wesleyan's chapter abreast of state level issues.

Finally, SGAE surprised spring student teachers with a send-off party that included ice cream sundaes, and a goody-bag of teaching materials, such as an apple-shaped name tag, gold stars, crayons, a ruler, and the deadly red pencil. With such support, all the student teachers were certain to succeed in their chosen field.

*With membership including history and political science majors, as well as all other interested students, the History-Government Club seeks to study historical and current events in relation to history and governments today. This year, led by President Nan Nixon and faculty advisor Dr. Marcile Taylor, the group enjoyed an elections coverage party with Dean McMinn. Later in the year, the club treated Belk Lecturer Dewey Grantham to lunch at T.K. Tripp's following his talk on southern politics.*

## WESLEYANNES

The Wesleyannes are a select group of students chosen by audition each year. As a group, they perform locally and around the state for civic organizations. In addition, the Wesleyannes are often featured in special segments of annual Glee Club tours and concerts. This year they performed along with the Glee Club in the Cherry Blossom Festival and did their traditional Christmas Program for a local television station.

With an unusual variety of instruments, the Washboard Band provided entertainment on campus as well as at off-campus events. Any student is encouraged to audition for the Washboard Band, especially if she can play an instrument not usually found in a band.

This year, under the guidance and leadership of junior Connie Evans, the group added one new song and revived some old favorites. Along with four concerts on campus, the group entertained at a Valentine's party for a local ladies club and traveled to Macon County for another performance. The most notable addition this year, however, came in the form of sophomore Jay Gorgon's attempts at comedy. But as Jay advised, the Band had hopes that her jokes would get "butter."

*The Wesleyan Glee Club is organized to establish a greater interest in choral singing. They perform a wide variety of the choral literature and present two programs annually for the pleasure of the Macon Community. They also perform for the service clubs on campus.*

*In addition to the concerts given in the surrounding Macon area, the Glee Club tours the Southeast. In*

*March, they performed in Brunswick, Jacksonville, and Savannah. Participants usually enjoy the tours as much as they enjoy the traditional Christmas and Spring Concerts on Wesleyan's campus.*

## GLEE CLUB

Each year the *Wesleyan Magazine*' staff strives to put out two magazines per school year using material submitted by Wesleyan's faculty and students. 1982-83 Editor Barbara Stout organized her staff and led in the publication of two professional-looking editions that left many readers in awe. Once again, the staff sponsored a cover contest for the spring color edition. For the second year in a row, senior Judith Lane's color photography won the contest and graced the cover of the spring issue. The magazine also sponsors the induction of new Scribes each year and the publication of works by "old" Scribes. This year Publicity Chairperson Hazel Bodner began a new activity in the form of creative writing workshops to provide help and feedback to interested writers at Wesleyan.

Wesleyan's newspaper the *Times and Challenge* is a member of the Georgia Collegiate Press Association and links together all areas of student life through responsible journalism. The editorial staff is chosen on the basis of past experience on the publication staff and on demonstrated interest and ability. The paper is student-run, published regularly during the school year, and circulated to all students, administration, faculty, trustees, and staff. The *Times and Challenge* also sponsors the Senior Honor Award voted on by the faculty each year.

## TIMES & CHALLENGE

*In the unique position of having almost no act to follow, the yearbook staff of 1982-83 set out with the main objective of producing a yearbook within the definitive time frame of one year.*

*Once organized, they set out to develop the theme of "Setting Sail Toward Tomorrow" and to record the school year at Wesleyan in words and photographs. Under the artistic direction of Art and Photography Editor Camille Bivins, the organizational skills of Assistant Editor Cyndi Bell, and the constant badgering of Editor Andrea Day, the staff designed a multitude of graphic formats, drew and redrew one hundred dummy layouts, wrote and rewrote copy and captions, cropped and recropped hundreds of photos, copied and recopied 3-R layouts, and typed and retyped 3-C copy*

## VETERROPT

*sheets until everything was finally ready for editor approval. This approval, however, was only attained through additional begging, bargaining, and bribing. Finally, all the hours of hard work, frustration, and tears led to a yearbook the staff could be proud of, inside a cover of beauty and inspiration painted by Wesleyan artist Camille Bivins.*

Contrary to popular misconception, intercollegiate sports are not sponsored by the Student Recreation Council. While SRC does support both intercollegiate sports with SRC points and publicity, the volleyball and tennis teams are actually sponsored by the Office of Student Services and Student Activities. These sponsors provide coaches, uniforms, and traveling funds to give Wesleyan students the opportunity to enjoy two favorite sports and to compete with other college students.

Under the direction of Coach Judy Scarborough, the volleyball team fought a hard season. A late start in the intercollegiate season limited the team to only one home game, and injuries plagued the team as Cyndi Bell and Jenny Carswell spent a good portion of the season on the Injured Players List. Special honors of Most Valuable Player went to Marita Carey and the Most Improved Player award went to Julie Bowman at the SGA Awards Assembly. The tennis team under Coach Bobby Walker likewise sought to offer intercollegiate competition. In addition the team worked to improve the tennis skills of each player. The tennis team honored Dana Flanders as their MVP and Vonda Brokopp as their Most Improved Player.

*The Naiads are a special group of athletes at Wesleyan. They are a synchronized swimming team who put on an annual water ballet show for the Wesleyan community. Their long hours of practice are well appreciated and respected. Students who are interested in swimming, or who just love to be in the water, are encouraged to try out for the Naiads in the fall.*

In their senior year the Golden Hearts not only won their first soccer game ever, they even made it to the Championship game. Eventually, however, the athletic determination of the sophomores kept the seniors from winning the Soccer Cup. Nevertheless, Golden Heart spirit prevailed, even in the face of injuries to players like Cyndi Bell, Irene Shovelski, Jenny Morgan, and others as the senior team claimed their second Soccer Team Spirit Cup.

In basketball the seniors played a determined regular season, but their Championship hopes were doused in a play-off game against the Tri-Ks. The most-missed person of the season was Wadra Garner, who suffered a chipped elbow and had to sit out the last few games. In obvious tribute to their injured captain, the seniors appeared for their last basketball game wearing slings on their arms.

## SR. CLASS SPORTS

Although the juniors didn't play in either championship game this year, their indomitable Green Knight spirit allowed them to compete for the sheer joy of the sports. The GKs suffered from no lack of talent; rather, their main challenge was to find enough willing and eligible players to constitute a safe and enjoyable season. As new, young enthusiasts joined seasoned athletes like captains Val Marshbourne and Loretta Pinkston, the Green Knights finished both the soccer and basketball season with respectable showings in the Consolation Games, and with cheers of "Wait 'til next year!" ringing in their hearts.

In the soccer and basketball seasons this year, the Tri-K Pirates outdid themselves by winning both Championship Cups! This remarkable achievement was not easy, however, as the sophomores combined determination, spirit, and athletic talents into winning teams that worked smoothly together in the heat of even the toughest competition. Though still very young, the Tri-Ks appear to be facing a bright athletic future at Wesleyan.

## SOPH. CLASS SPORTS

Soccer was the first intramural sport organized and played by this year's Purple Knight freshmen. With spirit high, their teamwork became impressive as the season progressed. Their cooperative efforts brought the PKs closer as a class, and closer to the other classes. Although they didn't win either of the soccer cups, the PKs succeeded in having fun!

Even with only four members and one additional player from the other classes, the PKs began on the right track in basketball. Amazingly, they remained undefeated until the Championship Game. On that fateful Saturday, the PKs played an electrifying game, even without captain and high-scorer Katherine Gardner. Eventually, however, the Tri-Ks came out a few points ahead to take the cup, but the PKs' courage secured the Spirit Cup for the freshmen.

**Neptune's Elite**

*Neptune Salutes . . .*

# *Mortar Board*

*Easily the most visible and active honor society on campus, Mortar Board strives to promote scholarship, leadership, and service. Wesleyan's Crown and Scepter chapter was founded in 1971 as part of a national senior honor society founded for the advancement of women. While Mortar Board is now nationally a co-ed organization, this original aim is still a major influence.*

*From the very beginning of the school year, president Barbara Stout led the group in imaginative fund-raising projects to finance service projects and a new scholarship fund. In September, radical Mortar Board members rebelled against Freshmen Seminars by "kidnapping" peer counselor coordinator Ginger Caldwell. The "ransom" collected provided operating capital for other projects, including care basket packages, a Favorite Turkey Contest, and two college bowl competitions. By the end of the school-year, Mortar Board had raised enough money to award a scholarship to rising junior Holly Heath for academic achievement in scholarship, leadership, and service. In addition to these campus activities, members Barbara Stout, Kathy Thompson, Ellen Futral and Cyndi Bell accompanied advisor Jeanon Moore to the University of South Carolina for the fall Mortar Board Section Meeting. There, Barbara Stout gave a short talk on a favored subject — funds!*

# Neptune Salutes . . . Kappa Delta Epsilon

Wesleyan's chapter of Kappa Delta Epsilon is known as Alpha Omicron. KDE is a national professional education sorority whose chapters promote fellowship, high standards of scholarship, and the attainment of professional ideals. Members are students who plan to teach and meet the academic requirements for KDE membership.

The Alpha Omicron chapter elects new officers in December of each school year. Under president Cyndi Bell during fall semester, KDE coordinated a massive clean-up and clear-out of the education department's Materials Center. In the spring Rhonda Davis took over as president and KDE brought back three recent graduates who led a panel discussion on experiences in student teaching, getting a job, and the first year of teaching. As senior members headed out to student teach, KDE ended its year with a strong membership drive and a traditional initiation ceremony.

*Beta Beta Beta is the biological honor society whose Sigma Lambda chapter at Wesleyan was founded in 1977. Beta Beta Beta desires to cultivate intellectual interest in the natural sciences and to promote a better appreciation of the value of biological study. Wesleyan's chapter includes both active and associate members, including president Peggy Jones, who led in a sale of mugs commemorating Homecoming 1982. In addition, BBB worked with Mortar Board in the fall to carry out a care basket campaign for lucky freshmen residents. In the spring, the society's new member induction service was conducted by advisor Pat Lewis and featured an address by Dean Kayron McMinn. With active membership doubled and eight new associate members, BBB looked forward to increased chapter activities in the next school year.*

# Phi Sigma Iota

Phi Sigma Iota is a national honor society in the Romance Languages. This society seeks to recognize outstanding ability and accomplishments in foreign languages. Wesleyan's found itself in an unusual position as elected president Ava Arnold spent the year studying abroad in Germany. In her absence senior Debbie Schultz served as acting president in the group's activities, which included a familiar favorite, the annual Crepe Sale, during fall semester.

Psi Chi is the national honor society in psychology, founded in 1929 for the purpose of encouraging, stimulating, and maintaining scholarship in, and advancing the science of psychology. While Wesleyan's chapter was founded only in 1980 and membership is limited to psychology majors with high academic averages, the group already includes seven student members and three faculty members.

## *Sigma Alpha Iota*

*Sigma Alpha Iota is a professional fraternity for women in the field of music whose chapter at Wesleyan was established in 1959. SAI's purposes are to foster interest in music and to promote social contact among persons sharing an interest in music. Early in the school year, the chapter held a Welcome Party for freshmen music majors to meet SAI members and patronesses. Fund raisers for the group included a bake sale, a car wash, and the annual Faculty Auction. In addition, SAI provides ushers for concerts sponsored by the music department, the Macon Concert Association, and the Middle Georgia Symphony Orchestra.*

# Splinters

*Splinters are members of an athletic honor society chosen by SRC from no more than 10% of the sophomore class based on contributions to SRC, leadership, character, and academics. Each group of Splinters is responsible for presenting a service project to the school by the end of their sophomore year and a scrapbook of their sophomore year by the end of their senior year.*

*The Tri-K Splinters entertained students and guests at the Christmas banquet by impersonating Santa and his reindeer. Along with their SRC funds. The Splinters earned money for their service project by selling refreshments at the Naiads' show and at "Somewhere In Time" when SRC brought it to campus. Finally, at the SGA Awards Assembly in April, the Splinters delighted their audience by their imaginative presentation of some desperately needed soccer shinguards.*

*Wesleyan's Witches rose from the lake at midnight on a night near Halloween to raid the dorms, liberally spreading surprises of candy and squirted water. Their antics continued the next day as they interrupted classes and office work to the delight of students and faculty members. Witches are chosen by non-seniors on SRC from all members of the senior class. In spite of sweaty masks, itchy robes, and slobbery kazoos, being a Witch is one of the truly enjoyable honors at Wesleyan.*

# Who's Who

**CYNTHIA ELAINE BELL:** As senior class president, freshmen RA, and yearbook assistant editor, Cyndi, who is adamant about the "correct" spelling of her name, juggled meetings, deadlines, and teaching all through her senior year. Friends remembered Cyndi best by her infatuation with unicorns, her love for children, her daily schedules, and her mind-boggling sense of organization. Along with her duties as president of KDE and treasurer of SRC, Cyndi kept active with soccer, basketball, backgammon, softball, and, for a very short time, volleyball. In Mortar Board and Phi Kappa Phi, Cyndi showed the academic qualities that kept her on the Dean's List for seven semesters and made her a Wesleyan Scholar and Stunt scholarship recipient. Following graduation, she returned to her home in Lithonia, Georgia to search for a teaching job while awaiting the removal of her long-suffered braces.

**WADRA LYNN GARNER:** A true connoisseur of fried chicken and video games, Wadra spent most of her senior year carrying out a multitude of duties related to the office of SGA

president, including serving as Student Trustee. Working as a biology lab assistant, a student intern, Wortham RA, and member of the Presidential Search Committee, Wadra compounded her activities with membership in Beta Beta Beta, BSU, and Mortar Board. As a biology major, Wesleyan Scholar, and Stunt Scholarship recipient, Wadra divided her time and energies between studies, leadership activities, and the basketball court, where she was voted her class team's MVP three years in a row. Wadra ended her career at Wesleyan with a record of high honors, impressive leadership skills, and an enviable tan. After graduation, Wadra planned to work a year before applying to medical school.

**KIMBERLY MILLER:** Quiet Kim was always known for her bright smile and her understandable preoccupation with her fiancé Scott. While Scott studied at Georgia Tech, Kim served as Jones RA, Student Recruitment Team president, CRC vice-president, elections chairman, and a member of BSU. As serious student in the psychology department, Kim earned Dean's List every semester, as well as a Stunt scholarship and membership in Phi Kappa Phi, Pi

Gamma Mu, Kappa Delta Epsilon, and Psi Chi. As her senior year drew to a close, Kim looked toward her June wedding and a year in Atlanta with high hopes and best wishes of her many friends at Wesleyan who had all felt the kindness of Kim's personality and the joy of her faithful friendship.

**BARBARA ELIZABETH STOUT:** A dedicated chemistry major from Palm Bay, Florida, Barbara hated to be known as "Babz." Nevertheless, her sense of humor, her academic prowess, and her many leadership roles made Barbara a well-known and highly respected Wesleyanne. As president of Mortar Board and editor of the *Wesleyan Magazine*, Barbara used all her creative imagination to develop high standards in student performance and productions. In addition, she was a member of Beta Beta Beta, a Persons RA, a Wesleyan Scholar, a member of Alpha Psi Omega, and a recipient of Stunt and Katharine Rogers scholarships. Barbara's crazy antics graced the grounds of Wesleyan at all hours as she raced from lab to rehearsal to layout meetings, often appearing from nowhere in glittery deely-bop-

pers or kidnapping freshmen and little sisters for midnight runs to Krystal's. As Barbara headed from graduation to a teaching assistantship at FSU, Wesleyan bade farewell to a talented and popular homecoming Queen whose wit and friendliness would be sorely missed.

**KATHARINE ANNE THOMPSON:** Known to her many friends as "Toddy" and not "Toadie," Kathy was best recognized in the many facets of her role as president of SRC. Toddy was always a leading influence in volleyball, soccer, basketball, and tennis. Even out of her gym shorts, though, Toddy was always a

student leader with membership in Senate, KDE, and Mortar Board. With Pierce and Stunt scholarships, she faced each new challenge of her middle grades education major with the same courage she employed in her many sports activities. After graduation, Kathy looked forward to teaching near her home in Brunswick, Georgia. Having survived her seventh grade student teaching assignment, Toddy felt certain she could handle anything her future might hold, but her friends knew that Toddy would always earn the respect of people around her by her hard work and thoughtfulness to others.

**IRENE CELESTE SHOVELSKI:** As a Wesleyan Scholar from Norcross, Georgia, Irene spent her four years at Wesleyan as an active high achiever. "Reenie" served as class treasurer two years and represented her class on both Senate and CSA in her senior year. In addition, Irene was President of Pi Gamma Mu, vice-president of the History-Government Club, and a peer tutor. Whether participating or spectating, Irene was a constant supporter in all class activities, and as a peer counselor, she looked forward to each new group of freshmen as

another chance to pass on the tradition of Wesleyan sisterhood which she held so dear. As Irene packed her unicorn collection from Wesleyan for the last time, she was actually looking forward to even more years in Macon, as law student at Walter F. George School of Law at Mercer.

**MARY ANN AIKEN STAFF:** Being the Class of 1983's only summa cum laude graduate describes Mary Ann as a student. Mary Ann started Wesleyan as a day student, then lived on campus for three semesters. After her sophomore year, Mary Ann finally married her long-time boyfriend James. Soon, Mary Ann became expert at juggling heavy class loads, a church job, housework, music lessons, a husband, practicing piano, and eventually student teaching. Yet all the while, Mary Ann never relaxed her high academic standards and graduated at the top of her class with the same 4.0 average she had achieved at Southwest High School in Macon. With her teaching certificate and a new mobile home in Jones County, Mary Ann faced her future with well-earned expectations of continued success and life-long happiness.

*The Senior Honor Award is presented each year to an outstanding senior voted by the faculty to be deserving of such an honor. The Wesleyan Woman of the Year award is given by the student body to the senior felt to be most outstanding in student life each year. For one person to receive both of Wesleyan's highest honors indicates a truly exceptional student. Barbara Stout is indeed such a student.*

*Along with her scholastic honors and leadership responsibilities, Barbara expanded her well-roundedness by playing soccer, basketball, and softball. By her senior year Barbara's remarkable qualities had gained her numerous honors including **Who's Who Among Students in American Universities and Colleges** and an S.G.A. Service Award.*

**The Far Horizon**

## Tomorrow On The Horizon

*We have prepared well for our voyage and tomorrow is on the horizon. We will accomplish our goals for we are determined, and with our destination in sight, we will let nothing steer us from our charted course.*

*We realize that we cannot direct the wind, but we can adjust our sails. It is our responsibility to do so. As adults, we must take charge of our sails and make our judgements by drawing upon the knowledge and, more important, the wisdom that we have gained at Wesleyan. Full speed ahead! Tomorrow is on the Horizon!*

*Clockwise from left: 1. Eileen Kelly and Karen Toner play in the Fountain after the Life March. 2. Cyndi Bell, Ginger Caldwell, Lollie Alexander, and Ann Rasche learn how it feels to be an alumna at candlelighting. 3. Beth Proudfoot, Jenny Morgan, and Marian Daniel talk at candle lighting. 4. Loretta Pinkston and Judy Ross are initiated into Mortar Board. 5. Candy Wells and Ann Marie Parker cheer on their classmates as they put together the class puzzle. 6. Set sail for tomorrow!*

1982-1983 was distinguished as the year of Wesleyan's latest ten-year self-study. The purpose of the self-study was to re-affirm Wesleyan's accreditation by the Southern Association of Colleges and Schools. For their months of hard work to keep Wesleyan a highly rated academic institution, the Senior Class of 1983 dedicates the *Veterropt* to Dr. Earl Bargainnier as Director and Editor of the Self-Study, and to the following students, faculty, and trustees who served on committees:

*It has been a long voyage to the completed Veteropt; without the efforts of many this book could not exist. I am indebted to the many ports that photos have sailed in from: George McKinney — plays, Aaron Bowers — Stunt, Omni Press — Stunt Committees and Commission, Lee McDavid — Commencement, the Development Office — various photos, and the photography staff who lived with camera in hand for eight months.*

*I would like to thank the Macon Telegraph for the first page's artwork, our patrons for funding the color section, the Student Services, Business, Treasurer's, and Post offices for all their help, and Dale Bennett for his ideas and insight.*

*I am especially grateful for the Veteropt staff's dedication, Dean Hatfield's constant optimism and support, and Bill Parrish's patience and listening to my worries. Words cannot express my gratitude to these and the Editorial Staff. As Photo Editor/Art Director and my suitemate, Camille Bivins was busy with my badgering her to run last minute errands or to go shoot something. Cyndi Bell, my Assistant Editor and Big Sister, was equally busy keeping me organized and on course. If Cyndi and Camille had not had each other, I would have driven them both crazy.*

*Thank you all for everything!*

*— Andrea Day*
